## **REPORT OF INDEPENDENT AUDITORS**

Board of Trustees  
National Urban League, Inc.

### **Report on the financial statements**

We have audited the accompanying consolidated financial statements of National Urban League, Inc. (the League or NUL), which comprise the consolidated statements of financial position as of December 31, 2014 and 2013, and the related consolidated statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the consolidated financial statements.

### **Management's responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free of material misstatement, whether due to fraud or error.

### **Auditor's responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of National Urban League, Inc. at December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

## **Other matters**

As discussed in Note 3 to the accompanying consolidated financial statements, NUL restated its 2013 financial statements to recognize revenues previously reported as contract advances and other deposit liabilities.

**NOTE 1 ORGANIZATION**

National Urban League, Inc. (the League or NUL) is a non-profit organization incorporated in the State of New York in 1910. The League is substantially funded through grants and contracts awarded by government agencies, foundations, and corporations.

The Urban Empowerment Fund (UEF) is a tax-exempt community development financial institution that was incorporated in July 2011. The League obtained a controlling financial interest in UEF in March 2013. UEF is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and has been classified as a publicly supported organization as described in IRC Sections 509(a)(1) and 170(b)(A)(vi). UEF received its determination letter from the Internal Revenue Service dated November 7, 2013. The net assets of UEF are not available for distribution to NUL.

The Urban League Empowerment Center, LLC (ULEC) is in business solely to (a) own a leasehold interest in the property located at 121 West 125<sup>th</sup> Street, New York, New York and (b) hold, manage, maintain, operate, improve, develop, construct, exchange, lease sublease, convey, encumber, subdivide into condominium units, finance and otherwise use the leasehold interest and its rights in the underlying property and (c) do any and all other acts that may be necessary or incidental to carry on the business of ULEC. The League is the sole managing member of ULEC.

The League is exempt from Federal income taxes under Section 501(c)(3) of the IRC and has been classified as a publicly supported organization as described in IRC Sections 509(a)(1) and 170(b)(A)(vi).

The League, a non-partisan, civil rights, and community-based movement, serves over two million people each year, providing direct services, research, and policy advocacy to assist individuals and communities attain their fullest potential. The League's network of nearly 100 professionally staffed affiliates in 36 states and the District of Columbia work principally with African Americans and other disadvantaged urban communities to diligently close equality gaps for people at all economic levels and stages of life, thereby creating an opportunity for citizens to give back as volunteers. In pursuit of its mission—helping African Americans and other underserved urban residents to secure economic self-reliance, parity, power, and civil rights—the League's five-point approach to empowerment consists of:

**Economic Empowerment** invests in the financial literacy and employability of adults through job training, homeownership counseling, and entrepreneurship support.

**NOTE 1 ORGANIZATION** *(continued)*

**Education and Youth Empowerment** ensures that all children receive an education by providing access to early childhood literacy, afterschool programs, and college preparation.

**Civic Engagement and Leadership Empowerment** encourages all people to take an active role in improving their quality of life through participation in community service projects and public policy initiatives.

**Health and Quality of Life Empowerment** encourages all people to take an active role in improving their quality of life through participation in community service projects and public policy initiatives.

**Civil Rights and Racial Justice Empowerment** guarantees equal participation in all facets of American society through proactive public policies and community-based programs.

**NUL's Affiliates** offer services in 36 states and the District of Columbia to over 350 communities across the country. These professionally staffed offices fulfill NUL's services: where people and their neighborhoods grow, change, and are strengthened. The League's Affiliate Services Department goal is to provide information and training to affiliate CEOs, boards of directors, staff, and volunteers to increase their understanding of the League's mission, and to enhance their professional skills and effectiveness.

**The Urban Empowerment Fund (UEF)** is a Community Development Financial Institution (CDFI) with a focus on providing financial products (loans) and services to Minority Business Enterprises (MBEs) that are located primarily in the 10 markets in which the National Urban League's Entrepreneurship Centers are located. The mission of UEF is to help MBEs gain access to capital, survive, prosper, grow, create jobs, and generate individual and community wealth. UEF will work to achieve its mission by focusing on the development of MBEs, which requires a comprehensive set of services to address the primary barriers that inhibit their growth. These services include:

- Providing business advisory services to address the business knowledge deficits (competence)
- Offering a range of small business loan products in the \$50,000-\$250,000 range (capital)
- Providing policy advocacy to improve the business climate for MBEs (customers)

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The accompanying consolidated financial statements are presented on the accrual basis of accounting. Under this method, revenues are recognized when earned and expenses recorded when incurred.

Consolidated Financial Statement Presentation

In accordance with U.S. generally accepted accounting principles (GAAP), the consolidated financial statements include the accounts of the League, UEF, and ULEC. All material intercompany transactions have been eliminated.

NUL is required to report information regarding its financial position and activities according to three net asset classes: unrestricted, temporarily restricted, and permanently restricted, as applicable, which are defined as:

*Unrestricted net assets*—Not subject to donor-imposed restrictions. Unrestricted net assets include general operations and Board-designated amounts. The latter has been designated for specific purposes by actions of the Board of Trustees.

*Temporarily restricted net assets*—Subject to donor-imposed stipulations that may be fulfilled by an action of the League to satisfy the stipulations or become unrestricted at the date specified by the donor.

*Permanently restricted net assets*—Subject to donor-imposed stipulations that require the assets to be maintained by the League in perpetuity. The donors of the assets generally permit the League to use all or part of the investment returns from these assets.

Cash and Cash Equivalents

For purposes of the consolidated financial statement presentation, the League considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash equivalents at December 31, 2014 and 2013 were \$3,970,949 and \$2,843,600, respectively, and consisted of money market funds.

The League maintains its cash and cash equivalent balances in financial institutions, which occasionally exceed the Federal Deposit Insurance Corporation limit and subject the League to a concentration of credit risk. However, the League monitors this risk on a regular basis.

**NOTE 2**      **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Investments

Investments are stated at the fair value of the securities. The following is a description of the valuation methodologies used for assets measured at fair value:

*Marketable equity securities:* recorded at fair value based on the quoted market price and broker prices.

*Money market funds:* recorded at fair value which approximates amortized cost.

*U.S. government agency securities:* valued using pricing models maximizing the use of observable inputs for similar securities. The inputs (quotes, spread, and data points for yield curves) to these methods can be considered to be observable market-based data.

*Commingled fund:* This fund invests primarily in high-quality, senior, secured, mortgage-backed securities (MBS), asset-backed securities and commercial MBS. Management of the fund may also invest in direct obligations of the U.S or any agency or instrumentality thereof and money market instruments including commercial paper and repurchase agreements collateralized by agency and non-agency MBS. The fair value of the fund has been estimated, by the investment manager, using the Net Asset Value (NAV) per share of the investments. The investment manager will use reasonable discretion to value the fund using as a guide, a combination of (i) listed prices on widely available indices; (ii) independent pricing services using pricing models; and (iii) independent third party broker quotes from multiple financial institutions engaged in trading investments or securities similar to the investments.

The League's Investment Committee is responsible for determining the valuation policies and analyzing information provided by the investment custodians and issuers, which is used to determine the fair value of the League's investments. The Investment Committee is a sub-committee of the League's Board of Trustees.

The Board of Trustees has adopted a "spending formula," whereby a specified percentage of the rolling average balance of the League's long-term reserves is used to support current operations. All investment income over this amount is retained to support operational needs in future years and offset potential market declines.

The League targets the portfolio for its endowment (a long-term investment) to be a 60/40 ratio between equities and fixed-income securities.

---

**NOTE 2**      **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Investments *(continued)*

Interest and dividend income is recognized when earned and reported as operating revenue in the consolidated statements of activities based on NUL's spending formula.

Realized gains and losses and unrealized depreciation and appreciation are included in the consolidated statements of activities as increases or decreases in the unrestricted class of net assets, unless donor or relevant laws place temporary or permanent restrictions on these gains and losses. For purposes of determining the gain or loss on sales, the cost of securities sold is based on the average costs of all shares of those securities sold.

Companies are required to classify and disclose the fair value of financial instruments according to a fair value hierarchy, which ranks the quality and reliability of the information used to determine fair values. The three-level fair value hierarchy is as follows:

- Level 1:* Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets and liabilities.
- Level 2:* Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3:* Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or other valuation techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

A review of fair value hierarchy classifications is conducted annually and changes in the observability of valuation inputs may necessitate a reclassification for certain financial assets or liabilities. Reclassifications affecting Level 3 of the fair value hierarchy are reported as transfers in/out of the Level 3 category as of the beginning of the period in which the reclassifications occur.

**NOTE 2**      **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Investments *(continued)*

Investments valued at NAV are classified as Level 2 or Level 3 depending on the investee's ability to redeem those investments as of the given year end.

Receivables

*Allowance for doubtful accounts*

All receivables are presented on the statements of financial position net of estimated uncollectible amounts. Individual uncollectible accounts are written off against the allowance when collection of the individual accounts appears doubtful.

*Grants and pledges receivable*

Grants and pledges receivables consist of amounts due from government agencies and unconditional promises received from donors, respectively. Grants receivable are recorded at their net realizable value. Unconditional promises are valued at fair value. Fair values are measured based on the present value of future cash flows, with consideration given to expectations about possible variations in the amount and/or timing of the cash flows and other specific factors that would be considered by market participants. The fair value measurements also include consideration of donors' credit risk.

*Franchise fees*

Franchise fees are annual fees charged to the League's affiliates. The League has agreements with several affiliates for payment of fees in arrears. The agreements provide for installment payments over periods varying from one to five years.

As of December 31, 2012, the League revised its collection policy with affiliates and developed a three-year payment plan, beginning January 1, 2013, to recover prior fees and pay current dues for 2013 through 2015.

**NOTE 2**      **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Property and Equipment

Furniture and fixtures, equipment, and leasehold improvements are stated at cost, less accumulated depreciation or amortization computed by the straight-line method over the lease term or the following useful lives:

	<u>Years</u>
Leasehold improvements	10–20
Furniture and fixtures	10
Equipment	3–7
Computer software	5–7

The League capitalizes all expenditures for property and equipment in excess of \$1,000. Donated property and equipment are recorded at their estimated fair value on the date of donation in accordance with the League’s capitalization policies.

Beginning in 2013 and continuing in 2014, the League incurred and paid expenses related to the “future home” for its New York office. The League classified these expenses, which were considered pre-construction costs, as construction in progress within property and equipment on the consolidated statements of financial position (see Note 6).

Operating Lease

NUL occupies its space facilities under an operating lease agreement. Rent waivers are accounted for as deferred rent credits that are amortized against lease payments on a straight-line basis over the life of the lease.

Pension Costs

The League is required to disclose the over- or under-funded status of its defined benefits plan as an asset or liability in its consolidated statements of financial position, and also to recognize changes in the funded status of the plan in unrestricted net assets as a non-operating activity in the year that the changes occur. As of December 31, 2014 and 2013, the under-funded status of the plan is a deficit of the fair value of plan assets over the projected benefit obligation, which amounted to \$5,859,071 and \$4,153,490, respectively.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Revenue Recognition

*Contributions*

Unconditional contributions are recognized as revenue when received and recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions.

*Government Grants*

Federal, state, and other grant awards received for specific purposes are recognized as support to the extent of the related expenses incurred in compliance with the specific grant terms. The unexpended funds are reported as contract advances.

*Program Service Fees*

Program service fees are recorded as earned income that is generated from different conference activities that occur during the year.

*Franchise Fees*

Franchise fees are recorded as earned annual fees when billed and are based on the budget size of each affiliate.

Credit and Financial Risk

Substantially all the pledges receivable are derived from individual, corporate, or foundation donors. All of these receivables are made on an unsecured basis.

The League maintains its cash and cash equivalents in bank deposit and money market accounts, which may exceed federally insured limits. The League believes it is not exposed to any significant credit risk on cash.

The League's investments are exposed to numerous risks such as interest rate, market, and credit. Due to this level of risk and the level of uncertainty related to changes in the value of such investments, it is reasonably possible that changes in risk in the near term could materially affect investment balances and the amounts reported in the consolidated financial statements.

**NOTE 2**      **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Donated Materials and Services

Donated materials and services that meet the requirements for recognition are recorded as revenue and expenses in the accompanying consolidated of activities at their fair values. Donated materials and services were in the form of donated media and medical services. The fair values of the donated media are determined based on consideration of cash payments typically made by buyers for similar advertising and media, standard discounts given for similarly placed media, the media type and placement and other considerations. The fair values of medical services were determined based on consideration of cash payments typically made by buyers receiving such services.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited and are determined by management in accordance with grant provisions.

Advertising Expense

The League recognizes advertising expense at the time of invoice and payment terms. Advertising may be for multiple future dates and used as both video and print advertising. The vendor (in most cases) will invoice the League for the cost of all runnings of a specific advertisement. Advertising expense of \$410,684 and \$97,754 in 2014 and 2013, respectively, are reported as part of the professional contract services expense in the consolidated statements of functional expenses.

Measure of Operations

The League uses a “change in net assets from operations” as the measure of net assets that are available to support services in future periods. Measure of operations excludes gains or losses on sales of fixed assets, and the results of the League’s endowment spending policy (both positive and negative).

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the U.S. requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The League is exempt from Federal income taxes under Section 509(a)(1) and classified as a Section 501(c)(3) of the IRC. Accordingly, no provision for Federal or state income taxes has been made in the accompanying consolidated financial statements.

UEF is exempt from Federal income taxes under Section 509(a)(1) and classified as a Section 501(c)(3) of the IRC. Accordingly, no provision for Federal or state income taxes has been made in the accompanying consolidated financial statements. UEF is subject to routine audits by taxing jurisdictions. UEF's initial filing year was 2013. There are no audits for any tax periods are currently in progress.

Management has analyzed the tax positions taken by the League and has concluded that as of December 31, 2014 and 2013, there are no uncertain tax positions taken or are to be taken. Accordingly, no interest or penalties related to uncertain tax positions have been accrued in the accompanying consolidated financial statements.

The League is subject to routine audits by taxing jurisdictions; however, no audits for any tax periods are currently in progress. Management believes that the League is no longer subject to such income tax examinations for years prior to 2011.

Reclassifications

Certain items in the 2013 financial statements have been reclassified to conform to the 2014 financial statement presentation.

New Accounting Pronouncement

In May 2014, the FASB issued new guidance related to *Revenue from Contracts with Customers*. This guidance supersedes the revenue recognition requirements in Accounting Standards Codification Topic 605, *Revenue Recognition*, and most industry-specific guidance throughout the Accounting Standards Codification. The guidance requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance also expands the footnote disclosure requirements around contracts with customers. An entity can either adopt retrospectively to each prior reporting period presented, or elect a modified retrospective approach with the cumulative effect of initially applying the update recognized at the date of initial application. The guidance will be effective for the League in 2019. The League is currently evaluating the potential impact on the adoption of the guidance on the League's consolidated financial statements.

**NOTE 3**      **RESTATEMENTS**

In 2013 and years prior, unconditional contributions received that were to be used in subsequent periods, were recorded as contract advances and other deposits (liabilities) and recognized as contribution or sponsorship revenues in subsequent periods when the time or purpose restrictions fulfilled. However, upon further evaluation of these contributions, it was determined that it was more appropriate to record these amounts as temporarily restricted revenues in the periods in which the amounts were received.

NUL's net assets at January 1, 2013 and December 31, 2013 have been increased, reflecting adjustments to correct the recognition of contributions and other revenue received for which there were purpose or time restrictions for donors.

**NOTE 8**      **ACCRUED PENSION BENEFITS** *(continued)*

The defined benefit plan provides benefits based on participants' earnings and years of service. Net periodic pension costs are determined using the projected-unit credit method in accordance with the provisions of financial accounting standards.

The following tables provide a reconciliation of benefit obligations, plan assets, and funded status of the plan:

	<b>2014</b>	<b>2013</b>
<i>Change in benefit obligation</i>

<b>Accrued pension benefit costs</b>	<b>\$ (5,859,071)</b>	<b>\$ (4,153,490)</b>

An employer is required to recognize the funded status of a benefit plan in its statement of financial position. Additionally, the gains or losses and prior service costs or credits that arise during the period, but are not recognized as components of net periodic benefit cost, must be recognized. Additional information about certain effects on net periodic benefit cost for the next fiscal year arising from the delayed recognition of the gains or losses, and transition assets or obligations must be disclosed in the notes to the consolidated financial statements.

In addition, the League's consolidated statement of financial position as of December 31, 2014 required a reduction of its liability associated with the defined benefit plan of \$2,236,811 (actuarial gains or losses and prior service costs or credits that arise during 2014 but are not recognized as components of net periodic benefit cost). This decrease in liability was reflected as a decrease in the accrued pension cost and resulted in a corresponding increase in unrestricted net assets. The League's consolidated statement of financial position as of December 31, 2013 required an additional liability associated with the defined benefit plan of \$3,387,748 (actuarial gains or losses and prior service costs or credits that arise during 2013 but are not recognized as components of net periodic benefit cost). This increase in liability was reflected as an increase in the accrued pension cost and resulted in a corresponding decrease in unrestricted net assets.

The following tables set forth a summary of changes in the value of the Plan's Level 3 investments for the year ended December 31:

<u>Group pension contracts - 2014</u>	
Balance, at December 31, 2013	\$ 1,463,510

Investment income	6,192
Payments and settlements	<u>(200,228)</u>
<b>Balance, at December 31, 2013</b>	<b><u>\$ 1,463,510</u></b>

The following is a description of the valuation techniques and inputs used for each major class of investments at fair value.

*Commingled separate account funds:* The fair value of separate account assets is based on the fair value of the underlying assets owned by the separate account funds. Assets within the separate accounts include various types of mutual funds, fixed maturity securities, equity securities, mortgage loans, derivatives, hedge funds, other limited partnerships interests, short-term investments and cash and cash equivalents and are generally Level 2 assets. Types of assets include: fixed maturity securities priced principally through independent pricing services. These fixed maturity securities include most U.S. Treasury and agency securities. Equity securities which consist principally of non-redeemable preferred stock priced principally through independent pricing services and certain equity securities where market quotes are available but are not considered actively traded. Short-term investments and trading securities included are of a similar nature to these fixed maturity and equity securities. In 2014, the League changed custodians of the commingled separate account funds that no longer include derivatives, hedge funds and other limited partnership interests.

**NATIONAL URBAN LEAGUE, INC.**  
Notes to Consolidated Financial Statements  
December 31, 2014 and 2013

---

**NOTE 8 ACCRUED PENSION BENEFITS** *(continued)*

*Group pension contracts:* Group pension contract funds are maintained at book value in investment year generations. The generations consist of “new money” which is equal to funds received in that calendar year, investment income credited for that year, minus disbursements from the account made during that year. Each generation is associated with investments made during that year. In order to determine the fair value of a generation, all of the investments held in that generation must be brought to the current value. Fair value is determined by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. Once the current value of the securities in each generation is determined the percentage of the generation attributable to the contract is determined. The value of that percentage is the fair value. The total of all of the generations equals the fair market value of the entire contract fund.

**NOTE 9 DONATED SERVICES AND MATERIALS**

NUL received total donated materials and services valued at \$14,142,255 and \$8,886,064 in 2014 and 2013, respectively. Included in the donated materials and services is \$11,908,200 and \$5,836,891 for its television airtime in 2014 and 2013, respectively; \$1,300,000 for medical services that occurred in both 2014 and 2013, \$921,025 and \$1,525,764 from affiliates for donated time for programmatic initiatives for 2014 and 2013, respectively.

**NOTE 10 SPECIAL EVENTS**

The League sponsored two special events: 1) A Benefit Concert in July 2014, and 2) The Equal Opportunity Day Dinner in November 2014.

For the year ended December 31, total revenue and expenses related to the events were as follows:

**NOTE 14      UNRESTRICTED NET ASSETS**

During 2014, the League generated an unrestricted operating surplus of \$196,150. The net results of these activities increased the unrestricted undesignated net assets to \$5,657,204. The League is also required to recognize net actuarial losses of \$2,236,811 that came from its defined benefit pension plan during 2014 but were not recognized as components of net periodic benefit cost. This result caused the pension-related cost balance to be \$(8,996,529) as of December 31, 2014.

During 2013, the League generated an unrestricted operating surplus of \$44,547. Additionally, the League recognized a gain of \$1,267 for its 2013 investment return over the 2013 spending formula. The net results of these activities increased the unrestricted undesignated net assets to \$5,461,054. In accordance with accounting standards, the League is also required to recognize net actuarial losses of \$3,387,748 that came from its defined benefit pension plan during 2012 but were not recognized as components of net periodic benefit cost. This result caused the pension-related costs balance to be \$(6,759,718) as of December 31, 2013.

**NOTE 15      ENDOWMENTS**

NUL's endowment consists of funds received through separate fundraising campaigns established for several purposes. Its endowment includes donor-restricted endowment funds. As required by U.S. GAAP, the net assets associated with endowment funds are classified and reported based on the existence, if any, of donor-imposed restrictions.

Interpretation of Relevant Law

On September 17, 2010, the State of New York enacted the New York Prudent Management of Institutional Funds Act (NYPMIFA), a modified version of the Uniform Prudent Management of Institutional Funds Act, which superseded the Statement of New York Uniform Management of Institutional Funds Act. NUL's Board of Directors has interpreted NYPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, NUL classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment and (b) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by NUL. NUL considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund;
- (2) The purposes of the organization and the donor-restricted endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return of income and the appreciation of investments;
- (6) Other resources of the organization; and
- (7) The investment policies of the organization.

Return Objectives and Risk Parameters

NUL has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment, while seeking to maintain the purchasing power of the endowment assets. Endowment assets include donor-restricted funds that NUL must hold in perpetuity or for a donor-specified period(s). Under this policy, as approved by the Board of Trustees, the endowment assets shall be so diversified so as to minimize the risk of large losses, unless under particular circumstances it would prove unwise. Over the long term, the entire portfolio should increase the purchasing power of the assets and be so organized as to take into consideration the cash flow requirements and administration of NUL. Safety should be evaluated on an overall basis rather than for each individual investment.

Return Objectives and Risk Parameters *(continued)*

A long-term investment objective has been set for a real return of at least 5% per year, net of fees, over inflation as measured by the Consumer Price Index. NUL seeks a total investment rate of return in excess of the rate of return of an investment in representative indices in the target allocation of the fund. The representative indices shall be as follows: The S&P 500 Stock Index for Large Cap Domestic Equity; the Russell 2000 for the Small Cap Domestic Equity; the MSCI All Country World Ex—U.S. Index for International Equities; and the Lehman Government/Credit Bond Index for fixed income investments.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, NUL relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). NUL targets a diversified asset allocation, placing a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

NUL has a policy of appropriating for distribution a percentage set each year of its endowment fund's average fair value over the prior 12 quarters through the calendar year end proceeding the fiscal year in which the distribution is planned. In establishing this policy, NUL considered the long-term expected return on its endowment. Over the long term, NUL expects the current spending policy to allow its endowment to grow at an average of 5% annually. This policy is consistent with NUL's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term, as well as providing additional real growth through market results.

**NOTE 17      NEW MARKETS TAX CREDIT**

On August 21, 2009, an agreement was signed between the League and Stonehenge Community Development LLC. This agreement enlists the consulting assistance of the League and its national network of affiliates in performing economic impact assessments for each Qualified Low-Income Community Investment (QLICI) under Stonehenge Community Development's New Market Tax Credits authority. For each QLICI, the League is paid an Economic Assessment Consulting Fee equal to 0.50% of the amount of each QLICI. The League received \$796,172 and \$868,473 in fees for the years ended December 31, 2014 and 2013, respectively.

**NOTE 18      SUBSEQUENT EVENTS**

The League has evaluated its subsequent events (events occurring after December 31, 2014) through August 14, 2015, which is the date the financial statements were available to be issued. Subsequent events that were noted are disclosed accordingly within the footnotes to the financial statements. There were no events noted that required adjustment to the financial statements.
